A PTA Leader, by virtue of assumed role or assigned responsibility, inspires and influences people to accomplish organizational goals. PTA Leaders motivate people both inside and outside the Association to pursue actions, focus thinking, and shape decisions for the greater good of the Association. These occur through leadership—the process of influencing people by providing purpose, direction, and motivation to accomplish the mission and improve the Association.

Welcome to the PTA,

Here it is – your PTA Survival Kit!

Inside are the most important materials you’ll need for your new position.

Keep this booklet handy throughout the year. Take it to meetings. Re-read it, as necessary. If you don’t find the information you need here or in your Bylaws, go to the California State PTA Online Toolkit – at toolkit.capta.org. If you can’t find it there or you’re still unsure, contact the Council. We’re here to help.

You’re now part of the oldest and largest child advocacy group in the United States – five million members strong!

Although we’re a national organization, the key to PTA is the unit level – and that’s You! You and your board are the heart of PTA because you directly impact the children, parents and teachers at your school.

PTA board members also learn how to run an organization -- financial management, event planning, team-building and yes – Robert’s Rules of Order! These leadership and organizational skills will benefit you for years to come.

Take advantage of all the training and resources we have to offer here at the Council to make your year go smoothly! We’re located in the Harold J. Ballard Parent Center in Old Town – come and visit us often. Office hours are posted on our website. (www.sdcouncilpta.org)

I look forward to meeting each and every one of you. Have a fantastic year!

Section 1: What All PTA Executive Board Officers Need to Know

Welcome on board to your Executive Board. You have now joined the largest volunteer agency for the welfare of our children. Your job for the next year is to run a mini-business. You are all in this together – this is everyone’s job.

Think of it as mini, in the sense that the overall income will usually be under $50,000 indeed most PTAs run under $25,000. Almost all rules below apply to any Non-Profit; they are not unique to the PTA.

Think of it as a business, because that is exactly what it is. So, all the rules and regulations that we at the Council PTA present you with are the rules and regulations that all Non-Profits have to follow. We are here to keep your PTA in Good Standing, so that you can continue with the business of supporting your students on a daily basis.

Rosters – We, at the Council, the District, the State and the National PTA, need to know who you are. It is an IRS requirement. None of the information is ever released to an outside agency. Your data is safe. Rosters are due May 1 each year. If your unit has not filled all the positions, send in what you have. If your unit has not had elections, then let us know so we can help. The PTA uses this information to update the State of California business records for your small business.

Elections – for officers are yearly and take place in March or early April. Check your Bylaws for the election meeting month. Everyone must stand for election each year. One person may serve in an office for two (2) years in a row. You cannot serve for three (3) consecutive years. This practice ensures that leadership development is part of your PTA mission.

Membership – to keep Good Standing and Non-Profit status, a PTA needs to have a list of its members. Keep the membership rolls for three years. Send a copy of your membership list to Council for safe keeping. Send the Council PTA the Annual Historian Report at the end of the year (think volunteer hours). There is no upper limit to membership and membership is open to all parents, students, teacher, relatives, and community members.

Minutes – as a Non-Profit and a membership driven group, accurate minutes need to be kept on what activities a PTA has approved. Membership enrollment numbers are entered in the minutes of the Executive Board each month. Keep the minutes in a bound book and keep your PTA minutes forever. We suggest using the Blue PTA Secretary book, available at our office or on-line from the PTA store.

Financial Data – in order to keep your business on track, we, at the Council, keep a record of your financial data. Here is a list of what we need – Proposed Budget at the beginning of the year, Mid-Year Audit report, Year-End Audit report, Year End Financial Report. These items should also be entered in your Secretary Book as part of an Executive or Association Meeting minutes. Keep your financial data for 7 years.

Workers Compensation Reports are due at the end of the calendar year even if no one was hired or paid for service. This is part of keeping our insurance premiums as a very reasonable rate.
Taxes – All Non-Profits must file taxes no matter how small their income. If any Non-Profit goes 3 years without filing taxes, it will be shut down – not by the PTA but by the IRS. Provide the Council of a copy of your return. We will send out reminders to file your returns for State and Federal. Copies of tax returns should also be entered in the Secretary Book as part of an Executive or Association Meeting minutes. File your taxes as soon as you can after your Year-End Audit.

RRF-1 Report - All California charitable organizations must file an annual report with the California Attorney General. This form is called RRF or Registration Renewal Fee Report. This report is due the same date as tax returns. Failure to submit this report annually may result in the loss of tax exempt status and an assessment of a minimum tax of $800 plus fines. See the page on RRF for information on filing.

Audits – Audits will provide you with the accurate information to file your tax return. Audits make sure that the minutes and the accounting books match. All Audits Reports should also be entered in the Secretary Book as part of an Executive or Association Meeting minutes. A PTA should be performing a mid-year audit and a year-end audit. The audit is performed by the elected Auditor or can be performed by an appointed Association Member of the PTA, or by Committee. If you do not have an Auditor, the Council will help you perform your audit or we can do the audit for you.

Membership Dues – all Membership dues not belonging to the unit are sent to the Council monthly. For each member, forward $5.75 to our Council. The membership year for the State starts July 1 and runs through June 30. If it does not coincide with your PTA financial year, don’t worry, it doesn’t have to. Your PTA does not need to approve the writing of the checks to our Council to send in your dues. This money does not belong to your PTA, so it does not need authorization. Use the Cash Verification Form for processing membership and the Unit Remittance Form to send on the dues. Make membership easy via jointotem.com online membership. All the work is done by State PTA, no remittance necessary for all JoinTotem members.

Insurance – California State PTA negotiates insurance to cover PTA approved activities. It is a bargain. The insurance payment is sent to the Council and we forward it on. Because the PTA is large this insurance comes to each unit at a very reasonable rate and is one of the perks of being a PTA. For any activities not covered by our basic insurance, your unit can add coverage by simply picking up the phone and talking to Knight Insurance.

Council Assessment – This yearly assessment of $50.00 was voted on by the Unit Presidents of the San Diego Unified Council of PTAs. What do you get? Council PTA support for your unit with training, and individual help when you need it.

Remember these rules are not here to keep you from doing business. These rules are here to help you to be a successful Non-Profit.

If your PTA needs help, just call us at (619) 297-7821 or email us at info@sdcouncilpta.org and we will get back to you as soon as possible.

The San Diego Unified Council of PTAs represents you and your members.
Duties of all Officers and Chairmen

The responsibilities of Officers and Chairmen is to ensure a successful term of office. Certain responsibilities begin as soon as officers are elected. Responsibilities of Chairmen begin when appointed by the President. The Standing Rules in the Bylaws define the Standing Committees – committees which operate all year long. Chairmen of Standing Committees count toward quorum at Executive Board meetings.

All board members and chairmen are expected to:

- Accept office or position only when willing to fulfill the responsibilities of the office
- Uphold the policies and procedures of the State and National PTA
- Study and follow unit Bylaws and standing rules
- Attend and participate in meetings
- Study the budget and financial reports
- Read the minutes for accuracy
- Be ready to report at meetings or prepare a written report
- Abide by the will of the majority
- Respect the privacy of the business of the Executive Board
- Protect members’ privacy by allowing no distribution of membership lists to outside interests
- Meet due dates and fulfill assignments promptly
- Give accurate and detailed account of all monies entrusted to them
- Delegate instead of doing everything
- Develop and strengthen leadership
- Attend conferences, workshops and conventions
- Maintain a procedure book to pass on to one’s successor
- Resign if unable to perform the required duties of the office.

The California State PTA does not recognize co-officers. “Co-officer” implies two people of equal rank sharing one position. In PTA, only one name may be listed for each office, and only one individual may vote. Bylaws may be amended to include additional officers to share the workload.

**Executive Board Duties**

Know your Bylaws

Bylaws are a document that tells you how the PTA runs the PTA business.

The Bylaws do not tell you what fundraisers to run, or what programs to bring to your school. The members of the PTA decide that. The Bylaws tell you how the business is done, when the meetings are held, how much are the dues for your PTA, who are your officers.

The Bylaws are broken up into sections, called Articles. Specific Articles will give you the needed information. Fill in the following Bylaws-Quick Check form for a quick reference to your Bylaws.

**Association Meetings:** Most Units have between 3 to 5 meetings a year, but some meet monthly and some only twice a year.

**Audits:** Audits are required twice a year and are presented at the next convenient Association Meeting.

**ID numbers:** Units will have a PTA identification number as well as Federal and State Tax ID numbers and a Charitable Trust number for government filings.

**Elections:** the election month is determined by the Association meetings and will typically be in March or April. All officers must run for office each year.

**Executive Board Officers:** the elected officers of the Executive Board are defined in the Bylaws.

**Fiscal Year:** the fiscal year for the California State PTA is July 1 thru June 30, but units will have fiscal years which coincide with the school year although many of them run the same time as the State PTA.

**Membership Dues:** membership dues are specified. $5.75 goes to Council, District, State and National as collected on a monthly basis. The rest stays with the PTA.

**Nominating Committee:** The size of the nominating committee is determined by the Bylaws and in the same section, the report date is called out. The Nominating Committee needs to be elected at an Association meeting that falls at least two months before the election date.

**PTA Name:** The Legal PTA unit name is the first item of the Articles and is on the cover of your Bylaws.

**Quorum:** Quorums for all meeting are defined in the Bylaws. This is the minimum number of members needed to conduct business (as in vote).

**Special Meetings:** Special Meetings can be called by any member of the Association using the rules of Article VII. Association Meetings.

**Standing Committees:** Along with officers some committees operate year round and are counted in the Executive Board quorum. These committees are listed in the Standing Rules. (last pages)

**Vice-Presidents:** The number and official position of the vice presidents is listed in Article VI.

**Unbudgeted spending between Association Meetings:** The Executive Board has the authority to spend money not budgeted between meetings up to an amount specified in the Bylaws. This action may be ratified at the next Association meeting (or the Association may vote against it, so be careful).
Types of PTA Meetings

There are three types of PTA meetings. Each meeting has assigned functions and authority. Association and Executive Board meetings produce minutes which are entered into the Secretary Book, committee minutes are not entered into the Secretary Book but the final committee report is entered.

**Association Meetings** – our meetings are these days ______________________
The Association consists of all the members of your PTA. Associations usually meet three to four times a year. The Association is the voting body for all action taken, including adopting Bylaws, adopting the programs and the budget for the year, electing the Nominating Committee, officers and state convention delegates and approving all contracts and expenditures.

**Executive Board Meetings** – our meetings are on ______________________
The Executive Board consists of the elected and appointed officers, the principal, the teacher representative and the committee chairmen. The Executive Board meets monthly to transact the necessary business between Association meeting. The Executive Board is responsible for accepting and studying recommendations to be presented to the Association for approval. The Bylaws and California State PTA Toolkit detail the Executive Board’s responsibilities.

*Guests may be invited* to attend an Executive Board meeting as well as an Association meeting. *The President grants a courtesy seat* to the guests present. A guest may bring information to share with the group. However, guests do not participate in the discussion or voting and should leave after their information is relayed.

**Minutes** – presented every meeting
Each PTA group should preserve their activities by recording minutes and they must be approved by the group that attended the meetings. The minutes can be filed by date. Only the Association can approve Association meetings. Only the Executive Board can approve Executive Board meetings. The Executive Board meeting cannot be combined with the Association meeting.

**Committee Meetings**
A committee may be a standing committee with regular ongoing responsibilities during the PTA year or a special committee organized for a short-term activity only. An example of a standing committee is a Communications Committee which operates all year long. An example of a special committee is a Dance Committee which operates only for the time it takes to organize and run a dance. Committees are where the major work of the PTA is done. Committees make recommendations to the Executive Board concerning their assigned activity and report to the Executive Board at the monthly meeting while this committee is active.

**Committee Reports**
Each committee produces a Committee Report which specifies what the Committee has agreed to do, how much money is being spent or made; and how many Volunteer Hours occurred during the event and planning.
Executive Board Meeting Worksheet

*Fill this page out at your first Executive Board Meeting*

The President must hold monthly meetings of the Executive Board. To hold a meeting, the President must send out an email or make calls to all officers and chairmen reminding them of the meeting 10 days in advance. The meetings should all be scheduled at the beginning of the school year. If you meet on the first Tuesday of the month, then you are fine unless there is a holiday or something else interferes.

The President must make an agenda for the Executive Board and Association meetings. The officers and chairmen must tell the President what they wish to have on the agenda.

**Quorum** is the number of members needed to conduct business for the Executive Board or the Associations. The members who make up quorum are all elected board members, Principal, Teacher Representative and all Standing Committee Members. Check your Bylaws.

Executive Board Quorum is ____ officers. Association Quorum is ______ members.

- Association meetings for Elections and Adoption of Bylaws must be called 28 days in advance.
- For an Executive Board Meeting the President can call, text or email all the Executive Board members to announce the meeting.

- Even though the meeting is announced in advance, send reminders closer to the day of the meeting.

Make an Agenda. The President must provide an agenda.

- Audits are usually on the Agenda twice a year.
- Elections are usually on the Agenda twice a year (see Election Are Yearly!)
- Budgets are on the agenda at the beginning of the year and whenever the budget is altered.

- If the President cannot attend, the Vice President can run the meeting.
- If the Secretary cannot attend, the president appoints a Secretary Pro-Tempore (a secretary for that meeting)
- If the Treasurer cannot attend, the Treasurer report can still be presented.
- Your Executive Board members should be committed to showing up for 10-12 Executive Board meetings a year.

The Secretary must provide the minutes from the previous meeting.
- Executive Board meeting minutes are approved at Executive Board meetings.
- Association Meeting minutes are approved at Association Meetings.
- Minutes should be typed up and circulated as soon as possible to check for inaccuracy. Minutes should be given to the President and Executive Board within 5 days of any meeting.

The Treasurer must provide a financial report for the past month.
- Executive Board Financial Reports may run from the beginning to the end of the month, from mid-month to mid-month or some other specified time depending on when your Executive Board Meetings take place.
- Association Meeting Financial Reports run from the last meeting until the current meeting.
- The Treasurer report is always presented even if the Treasurer cannot attend the meeting.

The Secretary stands, addresses chair and reads minutes.

(Bills should be itemized in minutes as to amount, who is to be paid and what payment covers.)
Treasurer: “I move to pay the following ...(list items or have them prepared on a handout)”
President: “It has been moved and seconded that the bills be paid.”
(Follow steps for a motion)

“You have heard the recommendations.” (follow steps for a motion)

IX. REPORTS OF COMMITTEES (allow 3 minute each)
President calls for the “report of the committee”, not the “chairman’s report”. Person making the report moves the adoption of any recommendations. It is recommended to have a time limit for committee reports – 2 to 3 minutes is usually sufficient.

8 Steps to Making a Motion
PTA meetings are run using *Parliamentary Procedure*

A motion to "take action" is introduced by a member, seconded, discussed, and is voted upon. Only persons who have been members for at least 30 days are legally qualified to make motions, discuss, and vote. More information is available about Robert’s Rules of Order.

The steps are:

1. Member stands and waits to be recognized.
2. President recognizes the member.
3. The member presents the motion by stating, "I move..."
4. The motion is seconded by another member. This shows that more than one person is interested in bringing the business before the group for discussion.
5. The President restates the motion. This ensures all members understand what is to be discussed.
6. Discussion is held on the motion. During discussion, all members participate fully.
7. The President puts the motion to a vote by stating, "All those in favor say 'aye.'" (Pause for vote) "Those opposed say 'no.'
8. The President announces the result of the vote to assure all members know whether the motion carried or failed. The meeting minutes list who made the motion and the outcome.

**Amendments**
An amendment is a way to change a motion already on the floor before the vote is taken on a motion. It may be amended by:

- Inserting or adding words.
- Striking words.
- Striking words and inserting others.
- Substituting one paragraph or resolution for another.

**Amending Examples**

*Main motion:* "I move we have a parenting program at the park."

*Inserting:* "I move we have a parenting program in October at the park."

*Striking:* "I move we have a parenting program in October." (striking "at the park.")

*Striking & inserting:* "I move that we have a parenting program in November on the school grounds." (striking "October" and inserting "November on the school grounds.")

*Substituting:* "I move we have an ice cream social."
How to Develop a Budget – Budget due to Council by Sept 30

The Executive Board or Board-elect meets to develop goals for the fiscal year and brainstorm program ideas. The budget is presented at the first Association meeting of the year in September. Without a budget, your meetings and activities are not legal AND you cannot spend any money.

Step One: Form a Budget Committee – (JULY 1)
The President or President-elect appoints the budget committee - three to five people. The Treasurer is responsible for chairing the Budget Committee. The President usually serves on the budget committee.

Step Two: Budget Committee Meets – (JULY & AUGUST)
Treasurer provides last year's budget showing plan and actual figures. Committee uses last year's budget and current year's goals to come up with working budget. Committee can get input from other board members and survey the Association members. Ask other board members, teachers, and principals for their input. The previous board cannot encumber the current board.

Step Three: Budget Committee chair presents budget to the Executive Board (SEPT)
The Budget Chair presents the budget at an Executive Board meeting. The Executive Board can approve as presented or modify.

Step Four: Present to Members at an Association Meeting (SEPT ASSOCIATION MEETING.)
The President presents the budget to the members as an Association Board for final approval. A Treasurer makes the following motion at the Association meeting:

**MOTION: "With the Executive Board concurring, I move that the ABC PTA adopt the 2013-2014 budget as presented."**

Members can approve as presented or modify. After it is adopted at an Association meeting, send a copy to Council.

Step Five: Follow the Budget Closely
After the Association adopts the budget, it should be followed closely in all financial transactions. Adoption of the budget does not authorize the expenditure of the money. The Executive Board votes to release money and to pay bills. If something new comes up that was not in the budget, the Executive Board has authority to spend up to a certain amount between Association meetings. This amount will be listed in your Bylaws (Article VIII, Section 2) - typically between $500 and $1000.

Step Six: Mid-Year Budget Review (AT A ASSOCIATION MEETING)
Review your budget half-way through the year and if necessary revise. Present the revised budget to your members at an Association meeting for their adoption.

Step Seven: Annual Financial Report (END OF JUNE)
Treasurer produces *Annual Financial Report* at the end of the year which can be used to file your income tax return and to help next year's Budget Committee.
Budget Committee – Start in July
Your Budget committee should start work immediately (July & August)

The following pages are sample Budget Forms and sample Annual Financial Reports. As they are approved by your Association a copy needs to be sent to Council. Your Association must approve a budget in order for your Executive Board to do Association business. These forms are found in the California State PTA Toolkit that was mailed to your Association president of record in the Summer mailing. You can also access the toolkit on the California State PTA website www.capta.org.

Council recommends the following items be included in your Association budget.

Required Budget Items
- Council Assessment $50 - due November 1
- Membership Dues $5.75 per member forwarded to Council
- Insurance - budget $225, actual premium amount to be announced in Summer) - due November 1
- RRF-1 - $25.00 to renew your Charitable Trust #, payable to the Ca. State Attorney Association if your PTA makes over $25,000 a year.
- Staff Appreciation - PTA resources may be used for Staff Appreciation; however, PTA’s must maintain their nonprofit status as governed by the IRS Code section 501(c)3. Within the language of the code, the IRS does permit expenses that are not directly related to the primary purpose of the PTA if the expenses are not of a significant amount. “Not of a significant amount” is defined by the IRS as an amount that does not exceed five percent (5%) of the nonprofit organization’s annual budget.
- Personal gifts or gifts for individuals, such as PTA members or school staff, cannot be purchased with PTA finds.

Recommended Budget Items for PTAs (Items are estimates only and can vary)
- Membership – incentive, envelopes, etc, $50-$100
- Founder’s Day (Council/9th District) $30 per person (approximately)
- Ninth District Functions - Training $60 per person.
- Insurance ($230) and Council Assessment ($50)
- Reflections - to do the programs/awards at your school
- Honorary Service Award - Associations should be honoring volunteers. (See Toolkit)

Optional:
- Legislative Conference $800.00 per person
- State PTA Convention $1000.00 per person

These recommendations are in addition to all the other items the PTAs budget for each year.
Movie Nights are allowed with purchase of the movie license. To show movies for family mixers or fundraisers you must purchase a movie license for viewing. Movies are protected by copyright. It is a Federal crime to show a movie for entertainment if you do not purchase a license. If you charge for the movie, you can only recoup the license fee, otherwise show the movie for free and charge for snacks and drinks. For more information on our website tab Leadership Resources, look under programs. This rule applies to PTA and to School District.

Raffles are allowed with paperwork
Your PTA is allowed to hold Raffles with the proper paperwork. Do not advertise a raffle without completing the proper paperwork with the California State Attorney General. A raffle permit costs $25.00. It takes up to six (6) weeks to get a permit, plan accordingly. More information on our website tab Leadership Resources, look under programs.

PTA Food Sales are allowed after school – 30 minutes after end of school day. Food sales to students is governed by California State Law and San Diego Unified School District. No one but the Associated Student Body (ASB) can sell food to students from midnight until 30 minutes after the end of school day/school bell.

The State PTA and the District hope that you will provide healthy choices at PTA events, but there are no hard and fast rules about what can be sold at PTA events or dinners. Food can be prepared by PTA members without a food handler’s license.

Babysitting/Child Care on Site is a program
Official Child Care or “Baby sitting” is not allowed by the PTA insurance, instead the PTA can offer childcare at PTA events or meetings by working with the principal to secure childcare workers through the school. The Principal will set up the contract with the school district approved childcare workers. The PTA will reimburse the school site for the services provided. Allow for ½ hour extra beyond the actual time the providers work as they will need to set-up and break-down.

Interpretation/Translation is a program
Often not all parents or family at a PTA meeting or an event speak the same language. Hiring an interpreter for the evening is a great way to involve the whole community. Put a line item in your budget for interpretation at your Association Meetings. An Interpreter costs about $50 per hour. If you have parents willing to interpret as a service to the PTA you can use them. To hire an interpreter, contact Ana Morales at the Translation Department to get a qualified person.

Ana Morales – amorales@sandi.net or call (858) 496-8366.

How to Handle PTA Money  
Using the Cash Verification Form  
(All Year and all the time)

The Cash Verification Form is used to count and record all money collected for any event. Deposit immediately. This would include collecting membership, a book fair or T-shirt sales, any program or event where money is collected, including donations. All officers should know how to fill out a Cash Verification Form. This form is used to track the income of the PTA. Never reimburse yourself by taking money from the cash box.

Fill out the top portion indicating the event (membership, book fair, carnival, etc). Sometimes events are dual events, such as a book fair where membership is collected at the same time, with one payment.

Two PTA members always count the money. One person must be a PTA Executive Board Officer or Committee Chairman. The other person will be a PTA member, who is assisting.

If membership is collected at the time of the event, itemize the membership collected and any donations made to your PTA in the box marked Membership Dues.

Donations can be recorded without someone purchasing a membership and will be recorded in the Membership Dues box accordingly.

Make a copy of the completed Cash Verification Form for each person who counted cash and one copy to accompany the money. Seal the money in an envelope to be presented to the Treasurer for deposit. If you have a Financial Secretary, that person will make the deposit.

A copy of the Cash Verification Form will be part of your Committee Report, for the event which has just taken place and you will report at the next Executive Board Meeting.

All membership dues (not belonging to the unit*) collected shall be forwarded to the Council PTA monthly. Membership for the California State PTA starts July 1, so membership can be forwarded for the school year starting in July and August. Any time a member joins throughout the year, membership is forwarded to Council, even if it is just one member.

Membership money not belonging to the unit* - "Membership dues not belonging to the Unit" means the dues which are forwarded to Council, District, State and National PTA. Presently these dues are: Council - $0.50, District - $1.00, State - $2.25, National - $2.25  
Your PTA will forward $5.75 to your Council PTA for each member.

On the following pages are:
- a Cash Verification Form that can be copied and used
- one that has been filled out with an event and membership happening at the same time.
You can fill out a Cash Verification Form for every event; separating Membership from all other Events.

*California State PTA Toolkit – May 2016*
Spending PTA Money
(All Year and all the time)

All PTA expenses are paid out using checks and the PTA checking account. Use the Payment Authorization Form when getting reimbursed. All monies spent must be budgeted. All expenses are paid for with a check either to a vendor or to a person upon the presentation of receipts with the Payment Authorization Form. All payments are reflected in the monthly financial report given by the Treasurer.

PTA Officers never withdraw CASH for use and the PTA should not have “Cash on Hand” or a “Petty Cash Box”. Never take Cash from money collected for an event to buy more inventory.

The PTA never deposits ASB money. PTA Officers may work on behalf of the ASB as volunteers and the money collected is counted in accordance to ASB requirements and deposited with the Financial Clerk of the school.

The PTA budget drives the spending of the money. The Treasurer will write a check when receiving a Request for Advance or Payment Authorization for a budgeted item. The PTA cannot spend money on a last-minute request. PTA money is already earmarked as laid out in the budget. All requests for expenditures which are not budgeted must be voted on by the Association. A PTA Executive Board can spend money on an unbudgeted item, by following PTA meeting protocol, which requires an Executive Board meeting.

A PTA is a nonprofit, private organization. To comply with all requirements, regulations and laws, a PTA must handle only those funds over which it has full control. All PTA monies and other assets are the property of the PTA and shall be administered through its own accounts.

A PTA shall not:

- Deposit funds from other groups or organizations in the PTA account;
- Deposit PTA funds in a personal account; or
- Deposit PTA funds in school or school district accounts.

For tax reporting and filing purposes, the IRS considers all monies deposited to the PTA account as that PTA’s gross receipts, excluding:

- funds forwarded through channels (e.g., per capita dues).
- funds used to start an event (cash box seed money)

1. Use the form on the following page for all checks written. This means for all reimbursements.
2. Always attach receipts to the request.
3. A request for payment means that the expense was in the budget and that the Association agreed to spend the money.
